Cost of the Retreat:

My intention is to make this retreat as financially possible as I can to all people. I separate the cost into two parts. The first cost is the fixed cost of **lodging and 9 meals**. Please let me know if you have any dietary restrictions. You can also choose to provide your own meals which would lower this cost. The second cost is your offering towards me as the teacher.

Please begin by choosing your housing option below:

First Cost

Guest Room in Main Building

These rooms are in the Main Building so you are just down the hall from the dining hall and yoga studio. They feature two twin beds, with private baths and skylights.

Double occupancy \$470 per person

Single occupancy \$580

Modern Hermitage Cabin

These are located throughout the forest just a short walk from the Guest House. All have electricity and heat and range in size. Beds are in a shared space (not separate bedroom). They also have a bathroom and small kitchenette.

Private hermitage cabin \$680

Shared hermitage cabin \$525 per person

Bedroom in Modern Cabin

Similar to the Modern cabin but beds are in separate bedrooms. You will have a private room in a house. Kitchen, bathroom, living room space is shared.

Private bedroom in shared cabin \$580

Shared bedroom in shared cabin \$470 per person

Rustic Cabin

These cabins have electricity and heat - no running water - a porta-potty which you are responsible for if you use it. Showers are nearby.

Single occupancy \$440 Double occupancy \$390

Second Cost

This will be your donated amount towards me. It is near impossible to place a fixed number on the price of the teachings and what the teacher offers. So, as part of your spiritual practice I encourage you to reflect on what amount works best for you. Please know that what matters is that you give what feels best in your heart and makes you the happiest. No amount is too small or too large. A very general suggested donation would be \$100-400.

Registration

FULL First Cost is suggested to reserve your space. If you need to pay in installments, you can.

Second Cost may be paid before the retreat or after the retreat.
